## Aetna Group Specified Disease Plan

### Be prepared for what happens next

Group specific disease coverage can keep you focused on your health when it matters most. This is extra coverage to help ease financial worries during a stressful time.

### What is the Aetna Group Specified Disease Plan?

The Aetna Group Specified Disease Plan pays benefits when a doctor diagnoses you with a covered serious illness or condition. For instance, a heart attack, stroke, cancer and more.\* You can use the benefits to help pay out-of-pocket medical costs. Or you can use the benefits for everyday expenses.

### How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But those plans usually don't cover all of the medical costs or unexpected out-of-pocket expenses that can come with a serious illness.

The Aetna Group Specified Disease Plan pays benefits directly to **you**. You'll get extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

### How can you use the cash benefits?

It's completely up to you. You can put the money towards:

- Deductibles or co-pays
- Mortgage or rent
- Groceries or utility bills

And so much more! Use the benefits any way **you** choose.

### Easy to use

Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered illness. We will pay benefits directly to you by check or direct deposit.

**Insurance plans are offered and/or underwritten by Aetna Life Insurance Company (Aetna) at 151 Farmington Ave., Hartford, CT, 06156. Policy forms issued in Idaho include: GR-96844.**

\*Refer to your plan documents to see all covered illnesses under the plan.

## Did you know?

More than **1 in 3** Americans have heart disease, making it the most expensive health condition in the U.S. at a combined \$555 billion<sup>1</sup>.

## Less stress

Dan\* knows that heart disease runs in his family. And when a heart attack struck, he was thankful he had the Aetna Group Specified Disease plan.

He filed his claim online and since he had signed up for direct deposit, his benefits went directly into his bank account. He was able to use the money to help pay his out-of-pocket medical costs and other bills, like his son's day care tuition.

The coverage provided under your benefits plan or policy underwritten by Aetna Life Insurance Company is limited in nature and may not provide financial protection for significant costs that you could incur for the diagnosis or treatment of COVID-19 ("Corona virus") related illness.

If you do not have comprehensive major medical coverage, in addition to the plan or policy issued by our company, you may incur significant uninsured medical expenses associated with the diagnosis and treatment of illness caused by COVID-19.

Major medical plans offer robust consumer protections, and are required to waive all deductibles, co-pays and other cost sharing expenses for the diagnosis or treatment of COVID-19 related illness. Your policy or plan with us is not a major medical plan and does not provide such protections.

If you do not have major medical coverage, you may:

1. Contact a licensed insurance broker or agent to see about major medical coverage availability.
2. To see if you are eligible for a special enrollment period for major medical coverage through the New Mexico Health Insurance Exchange, contact beWellnm toll-free at **1-833-862-3935**.
3. To see if you are eligible for Medicaid coverage and to complete an application, please call the Human Services Department's Medicaid Expansion Hotline toll-free at **1-855-637-6574** or visit **<https://www.yes.state.nm.us/yesnm/home/index>**.
4. To see if you are eligible for high risk pool coverage, please contact the New Mexico Medical Insurance Pool (the "High Risk Pool") at **1-844-728-7896** or **<https://nmmip.org/>**. If you are uninsured and have a COVID-19 diagnosis, your condition qualifies you for Pool coverage.

The Centers for Disease Control and the New Mexico Department of Health each have websites with considerable information on COVID-19. Visit each website at **<https://www.cdc.gov/>** or **<http://cv.nmhealth.org/>**.

Individuals who have symptoms consistent with COVID-19 should immediately call the NM Department of Health at **1-855-600-3453**.
