headspace

Headspace is here for you

Personalized mental health support, guided meditation, and mindfulness exercises

Introducing Headspace: your personal guide to caring for your mind. Stress less, focus more, and sleep soundly with hundreds of guided exercises and expert-led courses. Plus, get one-on-one support from experienced mental health coaches and clinicians – all in the Headspace app.

The best part? Addepar provides you with a Headspace membership at no cost to you. You can even invite up to [5] loved ones to access this benefit, too.

Scan the QR code to get started.
